Something's in the air, blowing through the trees
Got a fever in my bones, and something's calling me
Calling all my friends, got a yearning to be free
Turn this town upside down, watch and see

[Chorus:]

Bet we're gonna be on fire tonight
Bet we're gonna get a little outta line
Bet we're gonna have a damn good time
Bet it's gonna roll on and on
Bet we're gonna sing all night long
Bet we're gonna drink until it's gone
Gonna burn it down and shine a light,
Bet we're gonna be on fire tonight

I don't mean no harm, so don't misunderstand
If you wanna let your troubles go, go on and take my hand
There's an history-makin' party bakin', baby you're in luck
If you wanna come, I'm pretty sure we'll tear it up

[Chorus:]

Bet we're gonna be on fire tonight
Bet we're gonna get a little outta line
Bet we're gonna have a damn good time
Bet it's gonna roll on and on
Bet we're gonna sing it all night long
Bet we're gonna drink until it's gone
Gonna burn it down and shine a light light,
Bet we're gonna be on fire tonight
Bet we're gonna be on fire tonight, by the fire

[Chorus (2x):]

Bet we're gonna be on fire tonight
Bet we're gonna get a little outta line
Bet we're gonna have a damn good time

Bet it's gonna roll on and on
Bet we're gonna sing it all night long
Bet we're gonna drink until it's gone
Gonna burn it down and shine a light,
Bet we're gonna be on fire tonight.

Yeah we're gonna be on fire tonight.
