Her eyes are blue just like the ocean
Her heart is a river free
Well now and then she gets the notion
And she finds her way to me

[Chorus]

Her love's like rain on a tin roof
Sweet song on a summer time storm
And the way that it moves you
It's a melody of passion raging on
Then it's gone

She tells me she will be back to see me
Every time she has to go
And I keep wondering just when that will be
Cuz with her you never

[Chorus]

Her love's like rain on a tin roof

Sweet song on a summer time storm
And the way that it moves you
It's a melody of passion raging on
Then it's gone

Like a thirsty field I can't complain a bit
Cuz I'm thankful for every single drop I get

[Chorus]

Her love's like rain on a tin roof
Sweet song on a summer time storm
And the way that it moves you
It's a melody of passion raging on
Then it's gone

She's gone she's gone
My baby's gone
