I dont mind the sun sometimes, feelin' everything will  
be alright  
It'll be alright  
I left my love in San Jose, and I found a place where I  
can stay  
Cos it's all mine  
Cos it's all mine

Something's wrong, something's wrong  
Baby tell me do you have me caught out?  
Would you do that?

I know, I know, I know, I know, I know  
I know you're feeling my bad luck  
But that's too bad  
Cos i'm oh, alright

And I feel love  
And I want love  
But I need love  
But I want love  
It'll be alright

I need something I need strength  
I need God to help me get on my way,  
or is it our way?

I know, I know, I know, I know, I know

I know you're feeling my bad luck  
But thats too bad  
Cos i'm oh, alright

And i feel love  
And i want love  
But i need love  
But i want love

And i feel love  
And i want love  
But i need love  
But i want love

It'll be alright

I want to play  
Every single day  
I want to play  
And be a girl...
