Am I too young for you, babe  
Am I too stupid to see  
When I get home to see you  
I rush after your charms

Its naughty, to be here

And my love song for you, babe  
Is it all that you propose  
Then I'm lyin on top of you  
Wait I can not see

Its naughty to be here  
Its naughty...

But I can't say that I love you anymore  
I just wanna make you happy  
Just living for today  
Baby Blue I'm yours  
But I only wish it was my plan  
Change the wild love song  
To the one you hate

Is it all that your waiting for

Patience and you'll see  
That in too long you'll be alone  
You let me go

Its naughty to be here  
Its naughty...

But I can't say that I love you anymore  
I just wanna make you happy  
Just living for today  
Baby Blue I'm yours  
But I only wish it was my plan  
Change the wild love song  
To the one you hate  
[Repeat x1]

Its naughty to be here

Its naughty...
