so go and open with somebody nice here
someone here to keep all of us warm
im going over my own head, im going over my own
head

basically baby, why'd you have to go?
basically baby, why'd you have to go?
take this photograph and take this holy sign of
you and me are ok
you and me are ok

Come on Baby
Fishing in the walls
Don't
Don't

Basically take me high
leave me on the ground

you saying something
im sure, sure it wasnt me

take this photograph and take this holy sign of
you and me are lovers
you and me are lovers

i want you
i need you
i want you
i need you

Come on Baby
Fishing in the walls
Don't
Don't
Come on Baby
Fishing in the walls
Don't
Don't leave me
you and you and you
Don't see me

you and you and you
i want you
i need you
i want you
i need you

i want you

Fading in the background
fading in the background
ooh
