my brother he taught me how to fly
my papa he taught me how to cry

wait for me wait for me to show you

wait for me wait for me to show you

my mama she torched me down my soul
and i feel it i feel it moan

so show me your soul and ill show you mine
so show me your soul and ill show you mine

woop

so whos gonna love you now baby
whos gonna love you now baby
when your gonna fight in that war and see
get on that ship and sail back to me

oooooooooh oooooh
ow ow ow ow ow ow
oooooooooooooooooooooh
aw aw aw aw aw aw aw
ho

so whos gonna love you now baby
whos gonna love you now baby
when your gonna fight in that war and see
get on that ship and sail back to me
whos gonna love you now baby
whos gonna love you now baby
when your gonna fight in that war and see
get on that ship and sail back to me

get on that ship and sail back to me
