But you know it's true
I've given up on you
Take you're time, hold onto all you have
Cos I am holding your hand so tight
Tonight

But I try so hard to make it up to you
I can't wait
I can't help myself
Cos I am holding your hand so tight
Tonight

So that I can hold you
Ohh anymore
So that I can feel you
Oohh anymore

But if you want to travel the seas alone
I won't wait
I can't help myself
Cos I am holding your hand so tight

Tonight

So that I can hold you
Oohh anymore
So that I can feel you
Oohh anymore

But you know its true
Baby you make me blue
I am lonely
For tonight
Baby come on
...come on
And hold me tight
