I gotta change that station that I have  
Cuz all I hear is you it jus keeps reminding me  
Of all the things we used to do  
And I know that I should turn off the radio  
But its the only place I hear your voice anymore

(it's ridiculous)  
Its been months since I spoken to you  
(you aint keep in touch)  
Dont know why it came to this(noooo)  
(but enough is enough)  
No more walking wit my head down  
I dont wanna be a fool  
Cryin over you

If your so sick of love songs so tired of tears  
You say you love me why aint you here  
Im so sick of your love songs so sad n slow  
But I just cant turn off the radio

Gotta fix that calendar I have thats marked July 16  
Cuz it seems like you forgot that was our anniversery  
When I heard your song it made it hard to erase your  
memory  
Now when I hear your song I know its meant for me  
I cant believe that your...

So sick of love songs so tired of tears  
You say you love why aint you here  
Im so sick of your love songs so sad n slow  
But I just cant turn off the radio

Now that im gone (now that im gone)  
I wanna be left alone (ooooo)  
And everytime I see your smile  
Its looking at our child  
You should know, oh why cant you move on

If your so sick of love songs so tired of tears  
You say you love me why aint you here  
Im so sick of your love songs so sad n slow  
But I just cant turn off the radio

(i just cant turn off the radio)

If your so sick of love songs so tired of tears

(so tired of tears)

You say you love me, why aint you here

(why aint you here)

Im so sick of your love songs so sad n slow

(ooooo)

But I just cant turn off the radio

(i just cant turn off the radio)

If your so sick of love songs so tired of tears

(if u so, if u so,sick of love songs)

You say you love me,why aint you here

(if u so, if u so,sick of love songs)

Im so sick of your love songz,so sad n slow

(i am so,i am so,sick of love songs)

But I just cant turn off the radio
