Tell me why, must we sleep  
Tell me why, we want things we can't keep  
Tell me why, we have no choice  
Tell me why, these illusions have a voice

Oh oh oh oh, all that I've got to give  
Oh oh oh oh, it's all for you  
Oh oh oh oh, all that I need to live  
Oh oh oh oh, it's all for you

When I think about my life  
And all of my possessions  
Everything I own, it's all for you  
At the end of my days  
When they ask what it was all for  
I will say

It's all for you

I don't know why, we live to dream  
I don't know why, we crave things we don't need  
I don't know why, we live to die  
I don't know why,  
We're never truly satisfied

Oh oh oh oh, all that I've got to give  
Oh oh oh oh, it's all for you  
Oh oh oh oh, all that I need to live  
Oh oh oh oh, it's all for you

When I think about my life  
And all of my possessions  
Everything I own, it's all for you  
At the end of my days  
When they ask what it was all for  
I will say

It's all for you

(Everything I own, it's all for you)

When I think about my life  
And all of my possessions  
Everything I own, it's all for you  
At the end of my days  
When they ask what it was all for  
I will say

It's all for you
