"Attention all passengers
We'd like to welcome you to Flight 919 headed to
Raleigh, North Carolina
Where the temperature is currently a sunny eighty-five
degrees
My name is Simone and I'll be your flight attendant for
today
Once we reach our intended altitude of thirty thousand
feet
We will be serving you the finest of Hip Hop music
So sit back, relax and enjoy your flight"

[Phonte:]

Uh, uh, ye-ye-yeah yo, check it, check it
Ayyo before we take off for the evening
Attention all passengers, this is your captain speaking
Just wanna thank y'all for buying tickets just to ride with
us
No pun intended, but yo, y'all some fly niggas
The friendly skies are our passionate cost
Pride ourselves in great service and immaculate floors
So kick your feet up, relax at the bar
On behalf of us all, I'll pass it to my co-captain in
change

[Rapper Big Pooh:]

What's happening y'all? This Big Pooh, your co-captain
speaking
Before we take off, I'd like to send a warm greeting
(hello)
Please alert the stewardess for any things you needing
Buckle up tight, and I say this with good reason
We lost a few people before, they couldn't eat what we
serve
Cause our food, you can't buy in the stores
It locked their jaws and they still not talking
Instead of catching flights, these days they steady
walking

[Phonte:]

They steady walking and steady gawking when I'm out

with the squadron
Only one record out and already we marked men
But I'm just playing, this thing ain't cautious
Expect competition to take some losses for passing us
down
This is our flight, we manning it now
Remember when y'all niggas didn't give a fuck like we
was chastity belts
Guarantee they ain't gon' laugh at me now
You even when I'm taking off baby, yeah we still getting
down
Now come on

[Hook:]

[Pooh:]

Over the clouds and beneath the sky
It's Big Pooh and Little Brother still flying high (flying
high)
The world's finest, ain't no need to lie
Cause even when I'm on the ground I'm still flying high
(flying high)

[Phonte:]

It's Phonte up in the place to be
Representing world wide from sea to sea (flying high)
We rock the spot most definitely
It's Little Brother flying high for the world to see (flying)

[Rapper Big Pooh:]

Who ready for a trip where the sky's the limit?
These days nobody slide, they rely on gimmicks
The last seven-forty-seven, three pilots in it
We so above the rest, seats reclining in 'em
Fuck designer linen, it's about giving back
Rated number one for service, ain't no doubting that
Where the customers at? They all set for the take off
From NC to CA, niggas don't get a day off
Shit, we need some lay offs, there's too many planes
flying
Below the radar, there's too many planes dying
We keep it going, still gliding overseas
Up in the way, stay moving at God's speed

[Phonte:]

On these flights we stating the facts, first class
And the Craig T. Nelson niggas straight to the back
Check him envy in my leather seats, in my cockpit with
better beats
Nothing but blue skies ahead of me

[Hook]

[Phonte:] NC, begin our decention
[Pooh:] Fasten on belts and pay attention
[Phonte:] This ride was brought to you with the warmest
of intentions
[Pooh:] The crew and the staff would like you to thank
you for your patronage
[Phonte:] A good flight is only what you make of it
[Both:] Home is where we taking it
[Pooh:]
Until our next chance to lift off
And serve all with extreme pleasure
LB's an unfound treasure
Taking trips anywhere
[Both:] No matter whether
[Phonte:]
The skies are grey
It's cold captain, I'm inclined to say
That we provide the best service in the US nighttime or
day
Them other flights don't mean shit to me
Hell, look down and you'll probably see the head of
your favourite MC, oh-ohh

"Attention all passengers
We are now arriving in Raleigh-Durham International
Airport
Where your local time is now 8:42 P.M.
Please secure all belongings and prepare for landing
The flight attendants will be walking in the aisles
To ensure all carry-ons are secure and all seatbelts are
fastened
Once again, on behalf of the pilots and crew on Flight
919
We'd like to thank you for choosing LB airlines"
