I'm gonna tell you a secret
It's only right that you know
Every time that you're sleeping
I stay awake 'til dawn

'Cause I can feel the rhythm
I can't control myself
It's like Saturday on Monday
And I just can't keep still

Don't you know that I wanna keep on dancing?
Dancing to the beat of your heart
Yeah you know that I'm gonna keep on dancing
Dancing to the beat of your heart

Beat beat beat of your heart
Beat beat beat of your heart

I run my daily business
Walking the crowded street
But every time you're with me
I can't control my feet

'Cause everywhere there's music
It follows you around
And I can hear your rhythm
I can't ignore that sound

Don't you know that I wanna keep on dancing?
Dancing to the beat of your heart
Yeah you know that I'm gonna keep on dancing
Dancing to the beat of your heart

Beat beat beat of your heart
Beat beat beat of your heart

Beat beat

Don't you know that I wanna keep on dancing?
Dancing to the beat of your heart
Yeah you know that I'm gonna keep on dancing

Dancing to the beat of your heart

Beat beat beat of your heart
I gotta keep on dancing
Beat beat beat of your heart
To the beat of your heart
Beat beat beat of your heart
Keep on dancing
Beat beat beat of your heart
