feat. Lil' Wayne

[Intro: Phonte]

Hey baby look here, this new song I wrote it's got that  
Nice groove that everybody dancin to  
And when I play it it kind of remind me of me and you  
I mean, it's it's one more thing I wanna talk about now  
look  
It's It's It's time now for you to come home now  
Look everybody got there problems I'm dealin with  
mine  
I I I done gave up my narcotic, I'm a changed man!

[Verse 1: Rapper Big Pooh]

Yo, how many ways can I say I'm done fishin?  
You wanted the role, smashed the audition  
Havin a partner for a man in my position  
Eliminates the cooks in the kitchen  
Still I got a taste for that fast food, foreign cars, many  
women  
And some say that it was the life I was given  
I say it don't matter if I work at Mickey D's  
I still got a fix for what you got between your knees  
On a new broad, you still one to one  
Every once and again I like havin some fun  
No disrespect intended but what's done is done  
Women steppin out for love, men do it to cum  
"Not a Player" like Pun, but when shorty's get to grabbin  
on me  
The last thought I get is, "Poobie run!"  
To them girls wishin all the starters will stun  
But I gotta tell it like it is, hon - One!

[Chorus: Phonte] (R&B Sample)

She say she love me won't leave me won't never let me  
go  
But if you think of leavin you need to let me know  
We better together than further apart  
So darlin don't go breakin my heart (Don't go breakin  
my heart)

[Lil Wayne] (R&B Sample)

Yeah! She say she love me won't leave me won't never  
let me go  
But if you think bout leavin you need to let me know  
We better together than further apart  
So darlin don't go breakin my heart (Don't go breakin  
my heart)

[Verse 2: Phonte]

We was high school sweethearts, talkin since we was  
teens  
Every mornin, and every ev-ening  
Ten years later, she eatin that Lean Cuisine  
I'm on the field, straight brawn off that Creatine  
In the NFL - which mean Not For Long  
City to city, all the groupies they hop along  
Word get back, the wifey she like, "Stop the song"  
"I'm takin the kids to my momma's, I'm out, I'm gone!"  
- whoa!  
Momma was like, "Baby now, I hate to see your tears  
But I been with your daddy for bout 35 years And in my  
day,  
I had to turn a blind eye to cheatin  
But I ain't never had to wear no black eyes from  
beatings  
As long as he doin right, by you and the kids  
How you gon expect that man not to be who he is?  
I ain't sayin that it's right, but we often pay the price  
Cause a woman's life is love, a man's love is life  
And he gon live it to the fullest,  
And I ain't tryna pull you down, or sound like a broken  
record  
But you should know by now that ALL niggas is dogs  
Better to have a rich Pit than a broke German Shepard,  
uh!"

[Chorus: Phonte]

She say she love me won't leave me won't never let me  
go  
But if you think of leavin you need to let me know  
We better together than further apart  
So darlin don't go breakin my heart (Don't go breakin  
my heart)  
She say she love me won't leave me won't never let me  
go  
But if you think of leavin you need to let me know  
We better together than further apart  
So darlin don't go breakin my heart (Don't go breakin  
my heart)

[Verse 3: Lil Wayne]

Word up, I say I don't have nothin If I don't have you  
Like Sade, you got the +Sweetest Taboo+  
And my game is skin deep like the first tattoo  
I gets all in your head just like shampoo  
I just wanna fuck with you like rude polices  
I don't want a broken heart because I lose the pieces  
Hey! Girl don't play with my gangsta  
And have the boy blue like the Texas Ranger  
And I know cheaters never get crowned  
So I play fair like roller coasters and clowns  
Yeah! You gotta hold your soldier down  
Even when the war is lookin like, it is right around the  
corner  
And you don't wanna leave me believe me  
Cause I can turn you on like, a personal TV  
It's Young Weezy, I know what you thought  
But I'm just here to play my part so, don't go breakin  
my heart

[Chorus: Lil Wayne] (R&B Sample)

Yeah! She say she love me won't leave me won't never  
let me go

But if you think bout leavin you need to let me know

We better together than further apart

So darlin don't go breakin my heart (Don't go breakin  
my heart)

[Chorus: Phonte]

She say she love me won't leave me won't never let me  
go

But if you think of leavin you need to let me know

We better together than further apart

So darlin don't go breakin my heart (Don't go breakin  
my heart)
