Well I was driving on the  
No passenger to hold me  
Ambition drove me up here  
Keeping up with the burning  
Race with as it's turning  
Stay focused behind the wheel

I would say I'm ok  
I would say yeah I'm fine  
With my tears on the inside  
But just when I believe  
That I'd lost all my need  
You crash right into my life

And there's no brakes  
There's no heart breaks  
Love overtakes  
Love overtakes  
No brakes  
There's no heart brakes  
Love overtakes  
Love overtakes

Some people spend there earnings  
On never ending journey  
They always seek never find  
I couldn't keep on moving  
Driving without moving  
My heart is losing it's stride  
I would say it's ok  
Yeah it's fine  
Ignore what's missing inside  
But just when I believe  
There's nothing left in me  
You crash right into my life

And there's no brakes  
There's no heart breaks  
Love overtakes  
Love overtake  
No brakes  
There's no heart brakes

Love overtakes  
Love overtakes x2

Sometimes you don't what's missing  
Until it overtakes you  
And it overtakes everything  
And from that moment  
You don't quite know  
How you ever got along without it

No brakes  
No heartbreaks  
No heartbreaks

I would say I'm ok  
I would say yeah I'm fine  
With my tears on the inside  
But just when I believed  
That I'd lost all my need  
You crashed back into my life

And there's no brakes  
No heart breaks  
Love over takes  
No brakes  
There's there's no heart brakes  
Love overtakes

And there's no brakes  
Love overtakes x2  
No brakes  
Love overtakes x2
