[Nightclub Emcee:]

Good evening ladies and gentleman, this is Eddie  
Hendricks the legend

I want to thank y'all for comin' out this evening  
And I'm sorry 'bout that \$2 coverage charge, but we  
have to pay the entertainment

As I present to you Phonte, Big Pooh, 9th Wonder  
So y'all just put yo hands together as we bring to the  
stage, Little Brother

Little Brother, y'all go 'head and do a little somethin'  
for 'em

[Verse 1:]

[Phonte:]

Hey, I flew in from NC to keep us movin' on schedule  
Nap, gold shit, I came unforgettable  
Writin' on the plane, these words is barely legible  
But once again back is the incredible

[Big Pooh:]

The Little Brother, we number one  
Always getting' the job done, we some smooth  
operators

Haters come close, but they can't touch  
Run back and they can't rush, imagine dat shit  
Jay Dee's dreams is plastic

I'm tired of stretchin' money out like elastic  
Drastic measures we gon' have to take  
Like servin' classes up fresh out da gate

[Phonte:]

Without the papes (papers) we 'bout to get this rap shit  
nailed down

Cause stakes (steaks) is high, so I eat at Taco Bell now  
Yo, get it up cause it's alright for y'all to yell now  
Wearin' yo' Avirex, the cowry shell down

[Hook:]

It's so beautiful, so fabulous  
So exclusive, so extravagant  
We money makin' (show stoppin' emcees)  
Neva fakin', keep on

[Verse 2:]

[Phonte:]

If you think you can out rhyme me, boy I bet  
I ain't met the motherfucka who can do that yet  
Why their played out rhymes remain odd  
I stay cool like James Todd, and still remain dominant  
Up in yo spot tonight, we steady rockin' it  
And I'm gonna knock you out, just like mama said  
To Lenny, blunt smokes, cigarettes, Henny  
But it's somethin' 'bout these hoes, Lord forgive me

[Big Pooh:]

I stepped in about a quarter pass, you know, whatever  
I'm tryin' to get up on some ass, like whatever  
And grab a quick bite by the end of the night  
I drain tryin' to complain, and knees killin' me, right  
But you know we got dat hot shit  
Known to rock da block, and cause turbulence when  
you in da cock pit

[Phonte:]

Cool. Cause he don't get upset

[Big Pooh:]

I grab a bucket of wings, get some snacks, and I jet

[Hook x2]

[Verse 3:]

[Big Pooh imitating "Audio Two":]

MC P O, people call me Pooh  
When I'm bustin' up the party, I'm a rock fa you  
9th is cuttin' up for the  
Niggas in the Justice League

[Phonte imitating "Kool G Rap":]

And to you rappers takin' all figures  
For industry niggas, da ball players  
Droppin' 'em off of all makers  
With yo' whole team in ambulances  
We buildin' more beef than cattle ranches  
Against the snowstorms and avalanches

[Big Pooh imitating "Slick Rick":]

Well, it was one of those days (not much to do)  
I was steady writin' rhymes (for the Little Brother crew)  
Of the two be Phonte, and 9th, plus Eccentric  
And Big Doe in case I didn't mention  
(But did you tell 'em 'bout the League) Oh yes, the  
League of Justice  
(And did you remember what they need) These kids,  
they want substance

Rhymes and beats keep my day flowin' lovely  
But I'm a save crumbs and pass it off to Doug E

[Phonte imitating "Doug E. Fresh":]

This is all about no doubt for Little Brother

But first, let's take a moment to recover  
{Beatbox} Shwang  
This has been writtin', it's never bitin'  
You keep forgettin' the lyrics on tracks that I'm spittin'  
The only thing worse are the emcees that I'm rippin'  
They talkin' shit and wishin'  
Some of these guys getting' all hurked up  
From a ghost-writtin' rhyme by a chump, word up  
It don't make you a big man, and  
To wanna diss Little Brother man, and  
We all know, it's part of the plan (Why?)  
Cause Phonte and Pooh is in full demand

[Hook x2]

One time for your mind, one time for your mind  
One time for your mind, one time for your mind  
One time for your mind, two times for my nigga Big  
Pooh  
Three times for my Greensboro dimes, seven times  
whatever  
I don't trip, Doe don't trip, 9th don't trip, Leg don't trip  
Mike don't trip, Te don't trip, Justice League forever  
now...
