[Intro/Chorus:]

We liiiiiiiiike, the way you do...  
Relax yourseeeelf  
Breathe easy 'caaaaause  
We liiiiiiiiike, the way you do...

{This, is a Nicolay remix}

[Phonte:]

Yo, six minutes to showtime, I was out in the rain  
With my nigga Big Pooh goin over some thangs  
No money in our pockets, just a buck and some change  
Ran up in the hideaway with niggaz screamin our name  
Took the stage like a jet soarin, wildin out with the  
sweat pourin  
'Til I woke up hoarse the next mornin  
An I'll feelin that it brings about  
To see niggaz mouthin yo' words and you ain't even  
got a single out  
On stage sealin yo' spot, is the equivalent of ten  
adrenaline shots  
Just like L.E.G.A.C.Y. and Sean Boog when they killin the  
R.O.C  
Ain't gotta worry 'bout if niggaz just pretendin it's hot  
'Cause I can see they hands in the air wavin, heads  
bobbin  
Neck snappin back and forth, 'bout to break that shit  
Man I appreciate that shit, thanks for showin' us love  
And to the top we fin' to take that shit - fo' y'all

[Chorus x2: add Q-Tip's "INHALE" sample at the end of  
the third line]

(Whatcha doin, babe...)

[Rapper Big Pooh:]

I see y'all cats with yo hands high  
Up front shoutin out the songs real loud, real proud  
Lettin every other person know

Who you came to see and who you came to rock fo' -  
Little Brother  
That's why we stay vibin, pens stay scribbin  
Wrist rotatin to keep your soul pulsatin  
It's been a long time, but most folks still waitin  
All apologies, but thank you for stayin patient  
And die hard, that's why we try hard  
Dig deep demand, so we supply y'all  
Pusherman, and we wanna keep you high far  
From content with this current state of hip-hop  
We know music, we know why some don't choose it  
Y'all know the truth, I hope y'all don't lose it  
Bullshit, everyday we all go through it  
We givin y'all some shit that's therapeutic - so breathe  
easy y'all

[Chorus x6: w/ ad-libs and variations]
