Black light onnn..

[Chorus]

(*whispers* Turn it...turn it...turn it..)

Turn that bright light off, that black light onnn..

(*whispers* Turn it...turn it...turn it..)

Turn that bright light off, that black light onnn..

[Rapper Big Pooh]

I got the mic by firm grip, niggaz ain't heard shit

Word to Mike Burvick, Tommy's on the move

I ooze witta, grooves witta, soothes witta who-hitter

Aw, you ain't heard, my nig? That's old news

Poobie writes the blues like, Sally on the tube like

Miles kinda Blue like, "Fuck it, we break rules"

I choose what I want to, dos what I want to

You, you just a front, dude, you better move!

We head back to demonstrate, bass lines penetrate

"Sleepers" got you awake, sheeeit, I got a crew!

All the J's stand up, bitch niggaz squat down

Number one ass frowner sticks like GLUE!

I stick like WHO? Fraiser in his prime

I'm a beast wit the rhyme, art-iste witta line

and seize when you find, Poobie and Wonder 9

I'm say it to you one more time - I'M A BEAST

[Chorus]

[Rapper Big Pooh]

I'm a beast - I'll say it to you one more time

and seize when you find Rapper Pooh and Wonder 9

Art-iste witta line, I'ma wit the rhyme

Poobie sticks like WHO? Fraiser in his prime

All the J's stand up, tear them old plans up

"Sleepers" keep you awake, bass lines penetrate

So we back to demonstrate, get it straight - MOVE!
