[Intro:]

Uhh! Little Brother

Uhh! Mr. Porter

Uhh! Aiyyo Denaun this a

This a provocative-ass beat my nigga~! I ain't gon' lie

Like, this shit so hard, it's so provocative

Before I could do it I had to go get a manicure, a
pedicure

A cucumber melon facial wrap

And now nigga I'm spittin this shit, I got on a raspberry
colored mockneck

And some Babajeux [?] cologne, OHH~!

[Rapper Big Pooh:]

Chances are I've raised the bar

Never first at the finish but here I are

Niggaz gettin out of hand 'til I raised the par

Yeah I took a few lumps, I don't easily scar

And after number two heard they tried to tar, but baby
I'm back

Now I see folks tryin to sit where I sat

Shakin my hand like SHIT, it's like that?

And this is all fact

[Phonte:]

All factual, all actual

Now they lookin at me, eyes all glassy now

From the chickenhead hoes with the weaves and perms

To the coffeeshop bitches with the naturals

'Member when they didn't even wanna ask me out

Now they all wanna know how they can be down

Didn't think I'd make it rhymin, but I'm still grindin

Look at 'Te shinin, are you happy now?

[Chorus: Rapper Big Pooh, Phonte]

Everybody say praise the lord

Ain't another like me, I swear to God

Everybody wanna be amongst the stars

So now I gotta go and do it extra hard

Yeah, steppin out extra hard

New aim, new game, fresh feet on the car
Don't ever let a nigga tell you who you are

So when you gotta show 'em, go extra hard
Yeah (yeah) yeah (yeah)

[Rapper Big Pooh:]

Uhh~! Say I'm good, say I'm great
Couple niggaz took a shot but they both late
They both cake, soft like a styrofoam plate
You wanna see the champ, better get into shape
Get into weights, mix berry protein shakes
Rapper Go Hard, I don't need no breaks
Let me hear another word, I ex-pose fakes
I done took all the shit I'm a take, that's word

[Phonte:]

Say word on the street is, 'Te stay flowin
Just show him where the beat is
It'd be so nice if he wasn't an elitist, bullshit homey!
I'm a grown-ass man, just call it as I see it
Flow so dumb it's borderline genius
All the way from NC to Phoenix
We get bread and it spreads like an epidemic
'Te three point oh nigga this is the remix
I done upgraded y'all, catch up, uhh

[Chorus]

[singing Interlude:]

Uhh~! Everybody thinks I'm crazy
Cause I don't do what they do
Cell phones stop ringin at night
I'm thinkin - where are my bitches!
Nobody wants to see you when you're down and out
These niggaz gon' turn their backs on you
Wish that they could see me now

[Chorus]

[Outro:]

Uhh, let's go, yeah (yeah)
Yeah (yeah) uhh (uhh)
All my NC niggaz go extra hard
Yeah (yeah) yeah (yeah)
Uhh, let's go, yeah (yeah)
Yeah (yeah) uhh (uhh)
All my niggaz worldwide go extra hard
Lord have mercy, OH!
