[Intro] [Big Pooh]

Yeah, uh. Rapper. Ha, yeah. Uh, some of that good LB  
shit. Ha, yeah, uh.

[Verse One]

I ain't a freedom fighter  
I'm a freedom writer  
Doin' this shit in spite of  
People's opinions  
They all minions  
Be a mini Un  
Put this Jigga to your gut, stab yourself son  
Pardon my pun  
Great in my own mind  
I let the world find out on they own time  
Ascend to my prime  
Every step I climb  
Throw they two cents in  
Have a seat in line  
I'm just speakin' mine  
I tend to do that  
Broads over there wanna stare like, "Who dat?"  
Big brown nigga got tons of charm  
Rapper Pooh in this bitch, better ring the alarm  
I don't mean no harm  
Been deprived for years  
Just look at LB as you see our peers  
Won't see no tears  
Don't cry for me  
Got people out there that'll ride for me  
Church

[Chorus] [Phonte]

So go off go on  
LB back with a brand new joint  
So fresh like a brand new morn  
Play this everyday like a brand new song  
It don't start till we say, "Go"  
And it don't stop till we say so  
We we don't stop till we make mo'  
All the ladies say "Ow" and the fellas say "Ho"  
Ho ho ho ho ho

[Verse Two] [Phonte]

Phontigga get on the mic and I dispel what-  
Ever lies you niggas would try to tell but  
They can't see Tay in his gangsta lean  
I'm fresh off the scene like a nigga yell, "Cut"  
Slidin' through your city  
Checkin' out the pretty ladies  
But they actin' all Raphael Saadiq/saditty  
"What you mean girl? You don't even know me.  
You probably used to niggas spittin' that Bo Peep  
Nursery rhyme shit can't compare to this strong ass,  
grown ass man  
Check out my goatee  
You missed the best one  
I'm off to the next one  
So hard to say goodbye, word to Cochise  
Me and Big Pooh comin' through on the chariot  
Rollin' over y'all buffoon ass niggas  
Cartoon ass niggas, y'all Hannah-Barbara/ians  
Phonte, number one, rhyme animal candidate  
And I'm out

[Chorus] [Phonte]

So go off go on  
LB back with a brand new joint  
So fresh like a brand new morn  
Play this everyday like a brand new song  
It don't start till we say, "Go"  
And it don't stop till we say so  
We we don't stop till we make mo'  
All the ladies say "Ow" and the fellas say "Ho"  
Ho ho ho ho ho
