[Intro: Rapper Big Pooh] {X7}

Damn that feel good

[Hook: Rapper Big Pooh] {X2}

I used to holler at hoes ever since I was young

I ain't have no tongue game so I ain't get none

Now I got a little paper so they throwing me some

Damn it feel good, yeah that feel good

Uhhhh...

[Verse 1: Rapper Big Pooh]

"Shuckey Duckey Quack Quack"

Pooh been loving them hoes since way back

Back 'fore I was attacking the track I been that

A cool ass nigga, shy as hell, no mack

I had a little crush on this girl, yo fuck that

I had a huge crush on this girl, her ass fat

I was real young, still sprung

I was stunting tryna be the one

I went to work but I ain't get the job done

Light skin, long hair, spoke a different tongue

My Portuguese princess was playing hard young

Everyday I'd go and spit that game

Tryna put her pretty face in my frame but it was no  
hops

No mouthpiece, a nigga always had scraps

I'd grab her ass till I went and got a couple slaps

That's sixth grade, since then I got paid

Nowadays I keep 'em falling over Pooh all day

[Hook: Rapper Big Pooh] {X2}

Uhhhh...

[Verse 2: Rapper Big Pooh]

"Shuckey Duckey Quack Quack"

Pooh been loving them hoes since way back

Back 'fore I was attacking the track, I'm no mack

And by the time I reached high school, them broads

they knew that  
Screw that, I still had to take my shot  
Hoping one would say yes and that shit would pop  
I could get her to the crib where them panties would  
drop  
Got shot down plenty but the kid don't stop ever  
I'll be damned but shit, it rarely happen  
A couple jump offs kept a nigga from the hand action  
But that was guaranteed satisfaction  
An easy nut, no sassing  
Niggas you know what's up, yeah  
But that was high school, Rapper Pooh no fool  
Check how he got tight with his  
Good job, got car, got house, no kids  
Dial one-nine-hundred-big-pooh-4-biz, oh!

[Hook: Rapper Big Pooh] {X2}

Uhhhh...

[Outro: Rapper Big Pooh]  
Hell yeah it feel good  
It should feel good to some of you niggas that's out  
there getting pussy now  
Everybody ain't get pussy in high school  
Everybody ain't get pussy when they was young  
And that's real motherfucking talk, I ain't the only nigga  
out there  
Y'knahmsayin? Everybody wasn't that nigga  
Everybody wasn't popular and shit  
Y'knahmsayin? Hoes turned you motherfuckers down! I  
know
