My literature is literal, bruh I'm killinâ€Â™ you niggas in every syllable, bruh Somebody call TM the little of us Mad â€Â~cause they crew don't get a similar buzz

 $\tilde{A} \ \hat{A} \ \hat{A}^{\mathbb{M}}$ Cause our flavor sounds like vibrators Phones on silent, clippers, sky pagers Put it together, the road less traveled we all put it together Shoes will holes in $\tilde{A} \ \hat{A} \ \hat{A}^{\mathbb{M}}$ em and tunes with soul in $\tilde{A} \ \hat{A} \ \hat{A}^{\mathbb{M}}$ em

So our footprints show no signs of tiring Yep, we on a roll like folks in a retirement Homes get acquired We zoned in new environments

Legendary it is and y'all know the league I'll give it about a year the league will be the lead And me, I'm Von Pea from a tribe called Tonya Time to pay the bills, a word from our sponsors

A lot of people wanna talk about me But see me in person and put they arm around me Take pics for they page, throw tits in my face But turn around and ring the alarm about me

I guess I gotta get used to this public eye shit I try to do my best and act within reason I never thought y'all even cared about 'Te But touch $\tilde{A}f\hat{A}$ © apparently my dick in season

And everybody wants a free ride Because the truth and the power of my words can't be denied Phontigga is still the head nigga in charge Got all you mu \tilde{A} ¢ \hat{A} \in \hat{A} $^{\text{TM}}$ fuckas sayin \tilde{A} ¢ \hat{A} \in \hat{A} $^{\text{TM}}$ fair Eastside

With your hand on your heart
But I see through the bullshit youâ€Â™ re
sellinâ€Â™ 'cause nobody's buyinâ€Â™

Y'all niggas too shook to be y'all selves Scared to pledge allegiance so you fame alliance

That's why I roll with the niggas who get what I am I ain't got time for you idiots
So peace to my nigga Don, my nigga Von
And can't forget my main man Ilias

Because they move like leaders
Got the competition spellbound like a kilo
And we ain't got to thug it out
You're so sorry, me I'm so Ari
So I'm a let you bitches go hug it out

Because I'm shittin $\hat{\mathbb{A}}$ ¢ $\hat{\mathbb{A}}$ \in $\hat{\mathbb{A}}$ \in on your entourage Milkin $\hat{\mathbb{A}}$ ¢ $\hat{\mathbb{A}}$ \in $\hat{\mathbb{A}}$ \in it for all it's worth like H $\hat{\mathbb{A}}$ f $\hat{\mathbb{A}}$ \in agen-Dazs It ain't hard with my man named Von from a team called Tonya I'm out for now that's the word from your sponsor

Aye listen man, nah, I ain $\hat{A} \notin \hat{A} \in \hat{A}^{\text{m}} t$ gon $\hat{A} \notin \hat{A} \in \hat{A}^{\text{m}}$ get him talk of me And $I\hat{A} \notin \hat{A} \in \hat{A}^{\text{m}}$ ma let it be like that, you stop right there
