Dave got a Maserati, Eddie he got two
They got dem pump sneakers too,
They're throwin' money out
just like you never seen
Still livin' way beneath their means, oh yeah

Too many Joneses, say you
can't keep up with me
But what I'm lackin' it don't
mean a thing to me
Don't mean a thing to me, and I

Chorus:
Ain't got it, and I don't mind
Ain't got it, and I don't mind
'Cause baby I got you
Ain't got it, and I don't mind
Ain't got it, and I don't mind
'Cause baby I got you

Ain't got no Soloflex, I ain't
got no mobile phone
There's very little that I own
Ain't got no bank account to
match those other boys
Ain't got no real expensive toys, no no

But they've forgotten, I got
just the things I need
Almost everything I need
Ain't got no price tag, you mean
more than that to me
Mean more than that to me, and I

Chorus

You can keep your diamonds
and all your fancy yachts
They don't compare to what I got, no no
'Cause love don't cost a penny,
got everything I need
'Cause she's in love with me

She called me yesterday,
she said she's needin' more
A girl can't live on love alone, no no
She wants a diamond ring,
a carat maybe more
And then she'd love me to the core, I'm sure

She said she's leavin' once she found
that well was dry, bone dry
But I ain't grievi', least I got to taste the pie
I got to taste the pie, and I

Ain't got it, and I don't mind
Ain't got it, and I don't mind
'Cause baby I had
Baby I had
Baby I had you
