Well let your hair down honey, get your high heels on
Gathered up my money, won't be mine for long
Tear it up, tear it out, better tell your mother won't be
back till dawn
Well your revvin' up my motor, yeah you get me runnin'
strong
Dontcha put up a fight, gonna show ya how to do it
right

Gettin' Down-N-Dirty, baby hold on tight
Gettin' Down-N-Dirty, everything's gonna feel alright,
alright, all night

Well everybody's goin', 'cause they know what's goin'
on
Sweat's pourin' out their bodies
Yeah the band still goin' strong
You could choke from the smoke, well it's so damn
foggy
You could cut the air with a knife
And they go thru the roof on a hundred proof
Yeah they're servin' it up all night
Have you heard what's goin' down, it's the wildest
place around

Gettin' Down-N-Dirty, baby hold on tight
Gettin' Down-N-Dirty, everything's gonna feel alright,
alright, all night

Well I'm gonna go down till the early mornin' light,
darlin' won't you
come with me
Gonna go down, gonna rock all night
It's the only place to be, can't you see, can't you see,
can't you see

Well let your hair down honey, and get your high heels
on
"Cause I gathered up my money, honey, and it won't be
mine for long
Have you heard what's goin' down, it's the wildest
place around

Gettin' Down-N-Dirty, baby hold on tight
Gettin' Down-N-Dirty, everything's gonna feel alright,
alright

Gettin' Down-N-Dirty, baby hold on tight
Gettin' Down-N-Dirty, everything's gonna feel alright,
alright

Gettin' Down-N-Dirty, baby hold on tight
Gettin' Down-N-Dirty, everything's gonna feel alright,
alright, all night
