Sunshine, blue skies please go away
My girl has found another and gone away
With her went my future my life is filled with gloom
So day after day I stay locked up in my room
I know to you it might sound strange
But I wish it would rain

'Cause so badly
I wanna go outside
But everybody knows that a man ain't supposed to cry
Listen I gotta cry
'Cause cryin' eases the pain
People this hurt I feel inside, words could never explain
How I wish it would rain

How I wish that it would rain
How I wish that it would rain

Day in day out my tears they fade
Pressed against the window pane
My eyes search the sky desperately for rain
'Cause raindrops will hide the teardrops
And no one will ever know that I'm cryin' when I go
outside
To the world outside my tears I refuse to explain
How I wish it would rain

How I wish that it would rain
How I wish that it would rain

Sunshine, blue skies please go away
My girl has found another and gone away
With her went my future my life is filled with gloom
So day after day I stay locked up in my room
I know to you it might sound strange
But I wish it would rain

How I wish that it would rain
How I wish that it would rain
How I wish that it would rain
How I wish that it would rain
