Visit "[Pray For Me](#)" on [MotoLyrics.com](http://MotoLyrics.com)

Mrs. Smith is holding an inspection  
She's a model of society  
Wears a cross, but only for protection  
From her own immorality

But she's sayin' I'm an abhorration  
Burn in hell for all my decorations  
Start lookin' for salvation  
There'll be nowhere to hide

Chorus:  
Pray for me, I don't fit in  
Pray for me, 'cause I look so wild  
Pray for me, I don't fit in  
Pray for me, I could be your child

Back in school, I questioned the conditions  
Was a pillar of conformity  
Was a fool, but I had an education

Least I learned what I don't want to be  
Be rejected by the population  
Never mind about the degradation  
All you need is public conformation  
What really matters inside

Chorus

I don't understand, the way that you judge a man  
Your opinon's nothin' to me won'tcha  
Won'tcha look deep inside,  
and see who is livin' there  
I bet you will find one that looks just like me

Mrs. Smith is holding an inspection  
She's a model of society  
Wears a cross, but only for protection  
From her own immorality

But she's sayin' I'm an abhorration  
Burn in hell for all my decorations  
Start lookin' for salvation

There'll be nowhere to hide

Chorus

Repeat Chorus
