Hear that you went hoppin'  
Went from bar to bar last night  
Then you lost your lunch on Susie  
And you started up a fight  
You were dancin' on the tables  
And rollin' 'round the floor  
And when your glass was empty  
You went stumblin' 'round for more  
Then I heard that you denied it  
Said "it couldn't have been me"

But rum and coke, Colt 45  
Is all the proof you'll need

Chorus:  
Rum and coke, no lyin'  
Rum and coke, not me  
Rum and coke, no denying  
Rum and coke

Well I heard you got your pistol  
And went shootin' up the place  
And you went up to the bouncer  
And you got right in his face  
"Saw you starin' at my girlfriend  
And you better come straight with me"

'Cause rum and coke, Colt 45  
Is all the proof you need

Chorus

Well you better learn a lesson  
Better listen to advice  
'Cause you know I like my liquor  
'Cause it makes me feel so nice  
But your friends don't want to know you  
What a lonely man you'll be

'Cause rum and coke, Colt 45  
Is all the proof you'll need

Rum and coke, no lyin'  
Rum and coke, not me  
Rum and coke, no denying  
Rum and coke, rum and coke  
Rum and coke, rum and coke
