Gotta make a stand  
Gettin' too damned deep,  
I think I need my shovel  
Gettin' deep my brother  
Gotta make a stand, yeah  
Hearin' all your lies, I don't need another  
No, you're not my brother

Yeah, I'm gettin' tired  
Tired of what they're givin' to me  
Turnin' up the fire  
Now you're gonna start to feel the heat

Chorus:  
Yeah, I'm gonna stand up  
never keep us down  
Stand up, don't push me 'round  
Stand up, people can't you see  
Stand up, no I'm not, no I'm never  
goin' down on my knees

Better walk away  
See it in my eyes, it couldn't  
be much stronger  
Don't be 'round much longer  
Better get away  
Gettin' in my face, gonna be a goner  
Self defense, your honor

Everday they're pushin'  
Tryin' to put one over on me  
I don't need a cushin'  
'Cause I'm throwin' away my seat

Chorus

Gotta make a stand  
Hearin' all your lies, I don't need another  
No, I no I, no I don't  
Yeah, I'm gettin' tired  
Tired of what you're givin' to me  
Turnin' up the fire

Now you're gonna start to feel the heat

Yeah, I'm gonna stand up  
never keep us down  
Stand up, don't push me 'round  
Stand up, people can't you see  
Stand up, no I'm not, no I'm never  
goin' down on my knees
