I'm here to tell you what you need to know  
Now you belong to me  
'Cause you shoulda known it 'bout a year ago  
Some are too blind to see

That I'll make up your mind finally  
No more wastin' time  
Leave those others behind, 'cause you're mine

I shoulda opened up a little more,  
and let you look inside  
But I ain't afraid that you will shoot me down  
I ain't afraid to die  
Now I know that it's true  
Gonna tell it to you

Chorus:  
That you're mine, and you don't even know it  
You're mine, gonna let you know  
You're mine and you don't even know it  
You're mine, all mine

I'll treat you better than those other guys  
They ain't no threat to me  
'Cause you need somebody  
who will treat you right  
That's how it's gotta be  
To hell with the noise  
When I tell all the boys

Chorus

I've made up my mind,  
leave those others behind  
'Cause you're mine, and  
you don't even know it  
You're mine, gonna let you know,  
you're mine  
And you don't even know it,  
you're mine, all mine  
And you don't even know it,  
you're mine, gonna let you know

You're mine, and you don't even know it,  
you're mine, all mine  
All mine, all mine
