We don't wanna mash potato
We don't wanna?"
We don't wanna do the switch or the twist?

We just want to do
Since we want to do the hully, hully gully again
Come on, come on
Come on, come on, every body
Hully, hully gully again
Get up, get up,
Get up, get up Wilma now

You like hully gully
We like hully gully
We like hully gully, yeah

Got some new dances on the scene
We can't forget about?
We used to shake our shoulders
And wiggle our knees
We sure had a lot of fun
That's why we wanna
Hully, hully gully again

Love it, love it,
Love it, love it till you do it slow now
Hully, hully gully again
Just like we did in the summer of love

You like hully gully
We like hully gully
We like hully gully, yeah

Mom is workin' on the late shift
Tryin' to get to the moon
Way they are rushin'
Money they are spendin'
I know they are gonna get there soon
Before they get there, they'll
Hully, hully gully again
Come on, come on
Come on, come on slide and Jimmy now

Hully, hully gully again
Yeah yeah, like you did last summer children
You like hully gully
We like hully gully
We like hully gully, yeah

Hully, hully gully again
Come on, come on
Come on, come on everybody

Hully, hully gully again
That's right, that's right
You gotta now, Wilma child

Come on hully gully
Push up hully gully
Get it hully gully, yeah
