Those oldies but goodies reminds me of you
The songs of the past bring back memories of you
I always remember the first night we met
The songs they were playing I never will forget

I always will treasure them so close to my heart
They always will haunt me although we're apart
Each time that I hear them a tear's bound to fall
For I love those memories that I, I-I recall

Those oldies but goodies reminds me of you
The songs of the past bring back memories of you
Forever they will haunt me but what can I do?

Those oldies but goodies reminds me of

You
(Oldies but goodies reminds me of you)

SPOKEN:

"Yes, dear, they are playin' our songs.
And they will always remain our songs
And each time you hear them,
I hope you, too, will cherish the wonderful memories
that our love once knew. For these songs are just a
symbol of the love that I had for you."

Those oldies but goodies reminds me of you
The songs of the past bring back memories of you
Forever they will haunt me but what can I do?

Those oldies but goodies reminds me of you
