Paul Barrere, Bill Payne

I've been down, but not like this before
Can't be 'round this kind of show no more

All, all that you dream
Comes through shinin silver lining
Clouds, clouds change the scene
Rain starts washing all these cautions
Right into your life, makes you realize
Just what is true, what else can you do
You just follow the rule
Keep your eyes on the road that's ahead of you

I've been down, but not like this before
Can't be 'round this kind of show no more

All of the good, good times were ours
In the land of milk and honey
And time, time adds it's scars
Rainy days they turn to sunny ones
Livin' the life, livin' the life lovin' everyone

I've been down, but not like this before
Can't be 'round this kind of show no more
I've been down, but not like this before
Can't be 'round this kind of show no more

I've been down, but not like this before
