Rollin' down highway 95  
Sailin' through her hometown countryside  
Move on over stand aside  
My cruise control's on overdrive  
Gonna take my baby for a ride

Ooo she's like a smooth stretch of highway  
Ooo she's like a cool Summer breeze  
If my motor's runnin' right, we might lose control  
tonight  
Got the shape I love to squeeze, looks that bring me to  
my knees  
Oh please, let it roll tonight

I might be doin' more than fifty-five  
Sit my baby right down by my side  
When the rubber hit the road  
This rig don't dig no overload  
Come on now let my baby ride

Ooo she's like a smooth stretch of highway  
Ooo she's like a cool Summer breeze  
If my motor's runnin' right, we might lose control  
tonight  
Got the shape I love to squeeze, looks that bring me to  
my knees  
Oh please, let it roll tonight

(Yeah!)

Now I know just how heaven feels  
When she reach beneath my big old steerin' wheel  
Dyna flow, power glide  
Bored and stroked, I'm satisfied  
When I takes my baby for a ride

Ooo she's like a smooth stretch of highway  
Ooo like a cool Summer breeze  
If my motor's runnin' right, we might lose control  
tonight  
Got the shape I love to squeeze, looks that bring me to

my knees  
Oh please, let it roll tonight

(yeah!)

Well now Jack, say hi, it's a sight to see  
It's a queen of hearts, and her fancy's free  
Well now ace in the hole, and it feels so nice  
Well I'm just a fool, in a pair of dice

All I'm growin' impatience  
And live this ah  
Fooled my brother on a sucker bet  
I'm down and out in a ten round bout  
But don't throw the fight - we ain't lost yet  
We ain't lost yet
