lowell george  
Oh, hello...give me missing persons, they say  
What is it that you need?  
I said oh, I need him so...She said you've  
Got to stop your pleading  
And no matter what I do,  
Even pray to heaven above,  
All I ever get from you is  
Long distance love  
I read the papers  
And I got the blues  
I was so sad to hear the news  
Help wanted, but not enough  
You know these times are gettin' rough  
And no matter what I do  
Even pray to heaven above  
All I seem to get from you is long distance love  
(Whoo-oo-oo)  
Oh your toes were so pretty  
And your life so sweet  
I wonder do you know  
Do you know you hurt me so  
And no matter what I do  
Even pray to heaven above  
All I ever from you is  
Long distance love  
Long distance love  
(oo-oo-oo)
