Cold Cold Cold  
-- Lowell George  
Tripe Face Boogie  
-- Bill Payne, Richard Hayward

Cold, cold, cold  
Cold, cold, cold  
Freezing, it was freezing in that hotel  
I had no money, my special friend was gone  
The TV set was busted so she went along  
I called room, room service,  
I'm down here on my knees  
I said a peach or a pear, or a coconut please,  
But they was cold  
Well it's been a month since I seen my girl  
Or a dime to make the call  
'Cause it passed me up, or it passed me by,  
Or I couldn't decide at all  
And I'm mixed up, I'm so mixed up  
Don't you know I'm lonely  
All the things I had to do  
I had to fall in love  
You know she's cold  
Cold, cold, cold  
Cold, cold, cold  
That woman is freezing, freezing cold  
Well I tried everything to warm her up  
Now I'm living in this cold hotel  
'Cause she passed me, up or she passed me by,  
Or I couldn't decide at all  
And I'm mixed up, I'm so mixed up  
Don't you know I'm lonely  
Of all the things I had to do  
I had to fall in love  
You know she's cold  
Turn your clock back woman when you see me comin'  
round  
My feet don't, feet don't even touch the ground  
Yah, ya know she's cold  
Oh she's cold (cold)  
Ya know she's cold (cold)  
Know she's cold (cold)

Cold (cold, cold, cold)  
Buffaloed in Buffalo  
And I was entertained in Houston  
New York, yew nork, you got to choose one  
Cause it's a tripe face boogie  
Going to boogie my sneakers away  
Well I don't want your money  
And I don't want your time  
Please don't tripe me honey  
And I'll give you back your dime  
It's a hype face boogie  
going to boogie my sneakers away  
Now I don't dig potato chips  
And I can't dig torts  
But you can tripe my guacamole baby (it's a guaca)  
Tripe my shorts  
'Cause it's a hype case boogie gonna boogie my  
scruples away  
Hype boogie, tripe boogie, hype boogie  
All night long  
You bring your guitar, I'll bring the wine  
Gonna tripe my guacamole baby just a one more time  
Cause It's a tripe face boogie  
I said look out!  
Give tripe face his way  
I said lookout!  
Give tripe face his day  
I said lookout
