Bill Payne, Paul Barrere, Martin Kibbee, Sam Clayton,  
Ken Gradney, Neon Park  
If you walk in off the street  
You can take the load right off your feet  
Mamma bring the menu to your seat  
But the bill of fare be short & sweet  
Won't find no etouffe  
Mamm never ever could cook it that way  
She's all ancien regime  
No nouvell cuisine  
She cook gumbo  
A mighty rad gumbo  
It's the only way she can go  
Down at the Club Rad Gumbo  
Now the heads and shells stay in the stock  
She stirs her roux and really rocks  
One gallon shellfish stock or water  
Man this gumbo is made to order  
Two toes of garlick finely chopped  
Man this party just can't be stopped  
Mamma's pots are boiling, band starts to blow  
Piano keys a flying like Fats Domino  
She cook gumbo  
A mighty rad gumbo  
It's the only way she can go  
Down at the Club Rad Gumbo  
Oh no, no escargot, no cordon bleu  
This ain't the place to go lookin' for beef stew  
But if you like tender shrimp and rice  
If ya think ya can stand the spice  
She cook gumbo  
A mighty rad gumbo  
Now the people come from miles around  
Dig what Mamma's puttin' down  
Everybody knows her name  
She in the seafood hall of fame  
I got to get that recipe  
If it means the death of me  
Get my spyboy to sneak a look  
Into Mamma's book  
She cook gumbo  
A mighty rad gumbo

It's the only way she can go  
Down at the Club Rad Gumbo  
She cook gumbo  
A mighty rad gumbo  
It's the only way she can go  
Down at the Club Rad Gumbo
