Lowell George, Fred Martin

There was a woman in Georgia didn't feel just right
She had fever all day and chills at night
Now things got worse, yes a serious bind
At times like this it takes a man with such style I cannot
often find
A doctor of the heart and a doctor of mind
If you like country with a boogie beat he's the man to
meet
If you like the sound of shufflin' feet he can't be beat
If you wanna feel real nice, just ask the Rock and Roll
doctor's advice
It's just a country town but patients come
From Mobile to Moline from miles around
From Macon, Georgia to New Orleans
In beat-up old cars or in limousines
To meet the doctor of soul, he's got his very own thing
Two degrees in be-bop, a PHD in swing
He's the master of rhythm he's a rock and roll king
If you like country with a boogie beat he's the man to
meet (he's the man to meet)
If you like the sound of shufflin' feet he can't be beat (I
say he can't be beat)
If you... If you wanna
If you wanna feel real nice, just ask the Rock and Roll
doctor's advice
