Bill Payne, Lowell George
It was a mystery, one of a kind
No doubt about it
Over my shoulder I was lookin' to see
Just what was comin', comin' at me

One step up, two steps back
Right on the money
Got me right on the line

Straight from her heart
Straight into mine
Feelin' I'm gettin'
Comin' through fine
I'm gettin' it
Straight from the heart

Try to remember, don't you forget
don't ever doubt it
Up from behind just hiding from view
The love of a lifetime my sneak in on you
One step up, two steps back
Right on the money
Clear down the line

Straight from the heart
Straight to your mind
The love that you're gettin'
Is comin' through fine
You're gettin' it
Straight from the heart

You're lookin' so puzzled, no need to be
Didn't I tell you don't ever doubt me
One step up, two steps back
What got behind you
Well, it got through to me

Straight from the heart
Straight to your mind
The love that you're gettin'
Is comin' through fine

You're gettin' it
Straight from the heart
