i been warped by the rain, driven by the snow
i'm drunk and dirty don't you know, and i'm still, oh i'm
still
out on the road late at night, i seen my pretty Alice in
every head light

I've been from Tuscon to Tucumcari
Tehachapi, to Tomapah
driven every kind of rig that's ever been made
now i've driven the back roads so i wouldn't get
weighed

chorus
And if you give me weed, whites and wine
and show me a sigh
i'll be willin to be movin

Now I smuggled some smokes and folks from Mexico

Baked by the sum, every time I go to Mexico and I'm
still
And I've been kicked by the wind, robbed by the sleet
Had my head stoved in and I'm still on my feet
And I'm willin, oh I'm willin

And I been from Tuscon to Tucumacari
Tehachapi to Tonapah
Driven every kind of rig that's ever been made
Driven the back roads so I wouldn't get weighed

And if you give me, weed, whites and wine
and show me a sigh
I'll be willin to be movin
