Shake me well,
Before I open,
Do you think that I am wasted?
I travel light,
When I'm not needed,
I travel light,
Into the night,
Into the night,
Into the night.

Am I crazy? Am I crazy? Am I crazy?
I'm out of my tiny mind.
Am I crazy? Am I crazy? Am I crazy?
I'm out of my tiny mind.

I didn't plan to, I didn't plan to, I didn't plan to - fall in
love with you,
I didn't plan to, I didn't plan to, I didn't plan to - fall in
love, fall in love,
Fall love with you.

You point the way,
You want to go,
Be strong we live in circles of tomorrow,
The hour clock strikes 'one' - no will,
I lie here awake and I'm 'restless and pacing',
I'm restless and pacing,
I'm restless and pacing,
I'm restless and pacing.

Am I crazy? Am I crazy? Am I crazy?
I'm out of my tiny mind.
Am I crazy? Am I crazy? Am I crazy?
I'm out of my tiny mind.

I didn't plan to, I didn't plan to, I didn't plan to - fall in

love with you,
I didn't plan to, I didn't plan to, I didn't plan to - fall in
love, fall in love,
Fall love with you.

Est-ce-que j'suis folle? Est-ce-que j'suis folle?
Danser dans la mer, on a glisse dans l'air,
Est-ce-que j'suis folle? Est-ce-que j'suis folle?
Danser dans la mer, on a glisse dans l'air,
We danced through the air, we slipped through the
sea,
But when our eyes met, for you, I let go of me fear.
You smiled and said " Sorry you were late, sorry you
were late,
Sorry you were... late!"

I didn't plan to, I didn't plan to, I didn't plan to - fall in
love with you,
I didn't plan to, I didn't plan to, I didn't plan to - fall in
love, fall in love,
Fall love with you - ooh,
Fall in love you - ooh,
I'm out of my tiny!
I'm out of my tiny!
To fall in love,
Fall in love with you.
