I thought I had seen pretty girls in my time but that was  
before I met you  
I never saw one that I wanted for mine but that was  
before I met you  
I thought I was swinging the world by the tail I thought I  
could never be blue  
I thought I'd been kissed and I thought I'd been loved  
But that was before I met you  
[ fiddle ]  
I wanted to ramble and always be free but that was  
before I met you  
I said that no woman could ever hold me but that was  
before I met you  
I thought I was swinging...  
[ steel ]  
They tell me I must reap just what I have sown but  
darling I hope it's not true  
For once I made plans about living alone but that was  
before I met you  
I thought I was swinging...
