Girl, you ain't got shit on me  
Ain't got shit on NYC  
Got nothin' on this city  
Save all that cryin' for the queen

Go back to the motherland  
Have your mama hold your hand  
If you eat your eggs with runny beans  
Save all that cryin' for the queen

Judgin' your behavior  
And your junkie routine  
It's time for you to get clean  
And stop creatin' a scene

Girl, you ain't got shit on me  
Ain't got shit on NYC  
Got nothin' on this city  
Save all that cryin' for the queen

There's a recall on all employees  
Who behavin' all out of sorts  
Who can't hold their liquor  
Quicker, ya'll get off my turf

I'll show you who got the curve  
Think I'm being territorial?  
I'ma get patriotic on ya ass  
Stars and stripes actin' all sassy and crass

Class is in session  
Please stand for the pledge  
All you pretty party girl  
Step away from the ledge

Have a seat, so I can begin to teach  
Today we're gonna learn  
About the word moderation  
Liberty and justice  
And somethin' like one nation

Girl, you ain't got shit on me

Ain't got shit on NYC  
Got nothin' on this city  
Save all that cryin' for the queen

Go back to the motherland  
Have your mama hold you hand  
If you eat your eggs with runny beans  
Save all that cryin' for the queen

Judgin' your behavior  
And your junkie routine  
It's time for you to get clean  
And stop creatin' a scene

Girl, you ain't got shit on me  
Ain't got shit on NYC  
Got nothin' on this city  
Save all that cryin' for the queen

Those who know me, know I ain't  
No straight lace sober freak  
But when it comes time to get the job done  
I make sure I'm at least able to speak

Try to give a damn about presentation  
Try to make it look like it's not a vacation  
People paid to see a show  
They didn't just make a kind donation

When you're singin' that song  
For the one millionth time  
And you're too gone to see  
That you no longer shine

You start wishin' for another way  
To make your dime  
You wanna make a buck in America?  
Grab an application and get in line

Girl, you ain't got shit on me  
Ain't got shit on NYC  
Got nothin' on this city  
Save all that cryin' for the queen

Go back to the motherland  
Have your mama hold your hand  
If you eat your eggs with runny beans  
Save all that cryin' for the queen

Judgin' your behavior  
And your junkie routine

It's time for you to get clean  
And stop creatin' a scene

Girl, you ain't got shit on me  
Ain't got shit on NYC  
Got nothin' on this city  
Save all that cryin'

'Cause you know you'll be missin'  
That same ol' tune  
Two weeks what you look like  
Every afternoon

Then it comes you'll be like  
Cha ching, cha ching  
But minimum wage after taxes is like  
You must be fuckin' kiddin'

Girl, you ain't got shit on me  
Ain't got shit on NYC  
Got nothin' on this city  
Save all that cryin' for the queen

Go back to the motherland  
Have your mama hold your hand  
If you eat your eggs with runny beans  
Save all that cryin' for the queen

Judgin' your behavior  
And your junkie routine  
It's time for you to get clean  
And stop creatin' a scene

Girl, you ain't got shit on me  
Ain't got shit on NYC  
Got nothin' on this city  
Save all that cryin' for the queen
