I'll pretend I'm free from sorrow make believe that
wrong is right
Your wedding day will be tomorrow but there'll be no
teardrops tonight
Why oh why should you desert me are you doing it for
spite
If you only wanted to hurt me then there'll be no
teardrops tonight
[guitar - piano]
I'll believe that you still love me when you wear your veil
of white
But you think that you're above me oh there'll be no
teardrops tonight
Shame oh shame for what you're doing other's arms
will hold you tight
You don't care whose life you ruin but there'll be no
teardrops tonight
