I've had to burn most every bridge I've crossed,
It seems that everything I've loved I've lost,
When I met you I thought my luck had turned,
Our love's just another bridge to burn.

Chorus:

I'll soon light the match and move on,
I've already lingered much too long,
Oh I'm so hurt and you're so unconcerned,
Our love's just another bridge to burn.

Sometimes one must love enough for two,
That's how it's always been with me and you,
I see your face no matter where I turn,
Our love's just another bridge to burn.

Repeat chorus:
