I'm alone in a house made of sorrow and each room is
haunted with you
Should the end of the world come tomorrow I'll be
waiting on Heartbreak Avenue
I scattered all our promises behind me
There's no use to hope that they'll come true
But if you change your mind I'll be waiting
I'll be waiting on Heartbreak Avenue
[steel]
I was warned that some day you'd desert me I'd wake
up and find we were through
They all told me that you'd only hurt me and I'd wind up
on Heartbreak Avenue
Someday you may understand this yearning
When somebody does the same to you
Then when deep in your heart there's a yearning
We'll be neighbors on Heartbreak Avenue
