When you walk up to a juke box and you slip a nickel in,

You bet your bottom dollar when that record starts to
spin

You'll hear a fiddle and a gittar with a honky tonkin'
sound

It's hillbilly fever and it's spreadin' all around.

Hillbilly fever's goin' 'round

Good ol' mountain music's got me down.

It's got me robbin' castles, throwin' rice and slippin'
around.

Hillbilly fever's got me down.

When you git that jumpy feelin' and you don't know
what is wrong

Don't you worry about bother there's a brand new
mountain song

That's got the whole durn country rockin' with that big
gavel beat

It's the hillbilly breakdown that shakes you off a your
feet

Hillbilly fever's goin' 'round

Good ol' mountain music's got me down.

I spent a Sunday down in Tennessee and here's what I
found

Hillbilly fever's goin' 'round

When that love bug comes around you and you don't
know you been stung

And you go and see a doctor and he says poke out
your tongue

And he looks into that canyon, tells you brother I got
news

You're the victim of sweet buddy and you got the love
sick blues

Hillbilly fever's goin' 'round

Good ol' mountain music's got me down.

I'mgonna one foot, two foot sweet foot drag then I hold
you down

Hillbilly fever's goin' 'round
