Today I passed you on the street and my heart fell at  
your feet  
I can't help it if I'm still in love with you  
Somebody else stood by your side and he looked so  
satisfied  
I can't help it if I'm still in love with you  
A picture from the past came slowly stealing  
As I brushed your arm and walked so close to you  
Then suddenly I got that old time feeling  
I can't help it if I'm still in love with you  
[ guitar - steel ]  
It's hard to know another's lips will kiss you  
And hold you just the way I used to do  
Oh heaven only knows how much I miss you  
I can't help it if I'm still in love with you
