(Marijohn Wilkin - Benny Joy)

It hurts me so to see you go my darling  
But I can see you don't really want to stay  
Can you pretend that we've never known each other  
Is goodbye that easy to say?

Will you still feel the same way tomorrow  
Or will you regret walking away  
Can you leave without feeling any sorrow  
Is goodbye that easy to say?

Am I losing you forever, is this the end of everything  
Will you look back, will you be sorry, will you miss the  
love you threw away  
How can you break the heart that really loves you  
Is goodbye that easy to say?

--- Instrumental ---

How can you break the heart that really loves you  
Is goodbye that easy to say?  
Is goodbye that easy to say?...
