(Hank Cochran)

It didn't take me long to miss you
You were out of sight till I wished I'd begged you stay
And I would have and I've known how I feel when you
were gone
No, it didn't take me long to miss you.

It didn't take me long to miss you
You hadn't gone a mile till I'd began to cry
You hadn't really gone till I knew I was wrong
No, it didn't take me long to miss you.

But I'll avoid and I'll call
And somehow I'll get you back
And you won't believe the things I'll do
The way I'll change or how I'll act.

It didn't take me long to miss you
You hadn't gone a mile till I'd began to cry
You hadn't really gone till I knew I was wrong
No, it didn't take me long to miss you.

Oh, it didn't take me long to miss you...
