I used to think that making love was foolish as could be  
But when I hit the age of twelve a little girl told me  
Just kiss me once and if you don't like it then I'll go  
away  
When I came up for air well, this is all that I could say.

It may be silly but ain't it fun  
It beats picture shows and carnival all rolled up into one  
You hug awhile and you kiss awhile and you say I love  
you hon  
It may be silly but ain't it fun.

No matter if it's ten below or ninety in the shade  
I'm always sitting ready when there's loving to be made  
My heart is just as frisky as a little poodle pup  
So if your ready for a kiss I got one coming up.

It may be silly but ain't it fun  
It beats picture shows and carnival all rolled up into one  
You hug awhile and you kiss awhile and you say I love  
you hon  
It may be silly but ain't it fun.

One day I took my sweetie on a visit to the zoo  
A monkey and his lady friend were busy pitchin' woo  
He bit her on the ear and the he grinned a silly grin  
I knew what he was thinking as she smacked him on the  
cheek.

It may be silly but ain't it fun  
It beats picture shows and carnival all rolled up into one  
You hug awhile and you kiss awhile and you say I love  
you hon  
It may be silly but ain't it fun...
