Chorus:

Sorry I'm out of business  
I'm not at your service anymore  
Yes, I'm sorry, I'm out of business  
Get your work done where you got it done before.

My phones been disconnected  
I took my mail box down  
If you come knockin at my door  
You'll find me out of town.

I'm fed up with your lyin  
So get this straight from me  
I aint nobodys doggone fool  
Or sideline no sir-eee.

My phones been disconnected  
I took my mail box down  
If you come knockin at my door  
You'll find me out of town.

--- Instrumental ---

Now since I've thought it over  
And I've made up my mind  
It's plain to see I'm slippin'  
So I'm leavin' you behind.

Gonna find a new location  
And start out on my own  
Don't come around intrudin'  
For I'm a long time gone.

My phones been disconnected  
I took my mail box down  
If you come knockin at my door  
You'll find me out of town.

--- Instrumental ---

My phones been disconnected

I took my mail box down  
If you come knockin at my door  
You'll find me out of town...
