(Del Reeves - Elen Reeves)

You'll forget her in a little while  
You'll see that's what everybody said to me  
Well, I've had a long time to forget  
But still she's not forgotten yet.

She's not forgotten yet or will she ever be  
She's too much part of me to be just a memory  
As sure as there's tomorrow I'll just bet  
I'll still be saying she's not forgotten yet.

--- Instrument ---

A year and a heartache had almost passed  
Since the time that I saw her last  
Another's arms can help me to forget  
Time has come and gone she's not forgotten yet.

She's not forgotten yet or will she ever be  
She's too much part of me to be just a memory  
As sure as there's tomorrow I'll just bet  
I'll still be saying she's not forgotten yet.

I'll still be saying she's not forgotten yet...
